WORTHY Of Confidence.

AYER'S Sarsaparilla is a medicine that
during nearly 40 years, in all
parts of the world, has proved its effi-
cacy as the best blood purifier known
to medical science.

SARSAPARILLA (extracted from the
root of the genuine Honduras Sarsaparilla) is its
base, and its powers are enhanced by the
extracts of Yellow Dock and Sili-
cum, and other potent ingredients.

Turkish, Russian, Roman, Electric, and HOT
SPRING, are all the latest and most
convenient and delicious resort at which to
spend the winter months in the United States.

AYER'S SARSAPARILLA.

THE leading physicians of the United
States, who know the composition
of AYER'S SARSAPARILLA, say that
nothing else so good for the purification
of the blood is within the range of
pharmacy.

ONLY by the use of this remedy is it
possible for a person who has
corrupted blood to attain sound health
and prevent transmission of the
disease to his offspring.

THOROUGHLY effective renovation
of the system must include not only the removal of
corruption from the blood, but the enrich-
ment and the strengthening of the
vital organs.

RELIABLE witnesses, all over the
world, testify that this
work is better accomplished by AYER'S
SARSAPARILLA than by any other.

BLOOD that is corrupted through
disease is made pure, and blood
weakened through diminution of the
red corpuscles becomes strong, by
AYER'S SARSAPARILLA.

PURIFYING up the system require-
time in serious cases, but benefit will be
derived from the use of AYER'S
SARSAPARILLA more speedily than
from anything else.

For which like effects are
MEDICINE falsely claimed, is abundant
in the market, under many names,
but the only preparation that has stood
the test of time, and proved worthy of
the world's confidence, is

AYER'S SARSAPARILLA.
